

You are cordially invited to:

Fueling Innovation

An aluminum technology forum

Kenworth:
Wednesday October 18, 2006

Peterbilt:
Friday October 20, 2006

| <u>Time</u> | <u>Topic</u> | <u>Presenter</u> |
|---------------|--|-----------------------------------|
| 7:45 - 8:00 | Coffee and Muffins | |
| 8:00 - 8:05 | Introduction | Lance Auyer |
| 8:05 - 8:50 | Extrusion Design, Capabilities, & Fabrication | Karl Peter Johansen & Matt Landis |
| 8:50 - 9:30 | Extrusion Alloys | Jonathan Pangborn |
| 9:30 - 9:45 | Break | |
| 9:45 - 10:30 | Friction Stir Welding | Ole Terje Midling |
| 10:30 - 11:15 | Extrusion Process Development / Tolerance Management | Richard Dickson |
| 11:15 - 12:15 | Morning Q&A with a working lunch buffet | |
| 12:15 - 1:00 | Short Takes (10-15 minute each) | |
| | Aluminum Engine Blocks | Richard Dickson |
| | Flexible Aluminum Tubing | Richard Dickson |
| | Heat Exchanger Products | Richard Dickson |
| | Magnesium | Jim Konitsney |
| 1:00 - 1:45 | Wrap-up, Q&A | |
| 1:45 - 3:15 | Refreshments and Open Review for Design Groups | |
